

# **Potential Local Green Spaces Assessment Process: 66 sites down to 8**

As the Steering Group is required to base any recommendations for Local Green Spaces on evidence not opinions we undertook the following analysis using all available data to create an initial list of 66 potential sites covering:

- Name of Site
- Photos
- Comments in the Neighbourhood Plan survey
- LDC policy
- Local knowledge
- Beauty
- Historical significance
- Recreational value
- Tranquillity
- Richness of wildlife
